Sub: Regarding the school bag and its weight.

Dear Parents/Guardians,

This is to notify to you that the education department is very serious about the weight of school bag of our students. We are informed that the squad will inspect and check the students' bag at any time and place. Therefore I request you earnestly for the following:

1. Kindly ensure that your child has a lighter bag.
2. Help your child to arrange the bag according to the daily time table.
3. Some text books will be kept in the school shelf as per the instructions of the subject teachers and the home work will be planned per day one subject to reduce the pressure on the students.
4. Pouches can be used instead of pencil box to carry pens / pencils or stationary.

The School management will take more concrete steps to reduce the weight of the school bag in the coming academic year.

Parents/Guardians are earnestly requested to co-operate on this matter.

Thanking you.

S. Prudipam
Principal
Yours Sincerely,
