To,

The Secretary  
St. John's School  
Angarua, Talcher, Dist. Angul  
Odisha

Sub: Health and Sanitation Certificate for St. John's School.

Ref: Your letter No. 12/2018 Dt. 29.1.2018

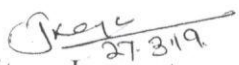

Sir,

In connection to the subject and letter cited above, I made an enquiry on dt. 27.3.19. After my physical verification it is to certify that, the school stands in a tranquil atmosphere & has been established in 2013.

It is surrounded by boundary wall with an attractive gate towards the east. The premises is found to be neat and clean. Besides the drinking water facilities is well and satisfactory. Water filter and Aquaguard has been installed near by the toilet. Safe drinking water is provided to the student through filtration. The school has an open well and a bore well to supply running water to 6 toilets 6 standing urinals, separately for boys and girls. There are taps meant for the student for washing and other purpose. The atmospheric condition of the school is found satisfactory from all aspects. There is an open airy play ground for the students and other activities.

This is for favour of your kind reference.

Yours Faithfully
